

### **Indigenous Modelling Project**

**Follow Your Dream – Partnerships to Success Modelling Graduation** will be held on Friday, 10.30am, 28<sup>th</sup> August at Metro Modelling Academy, Centro Shopping Centre, Atfield St., Maddington.

The Model graduation will showcase the talents of emerging models trained through the Indigenous Modelling Project supported by the City of Belmont and organized by TCFWA, Belmont BEC, Belmont BPW & Designedge Fashion Incubator, this event has gone from strength to strength since its conception in 2006.

The success of the 2007/2008 projects was astounding, with a large number of the participating students remaining in their studies and/or going onto receive school and community awards.

This is an valuable program that involves self esteem, deportment, grooming and 'volunteer' public fashion events is of great benefit to the Belmont City College "Follow Your Dream" student's community and life development skills.

The event which is for the benefit of local indigenous youth, trains 20 students who then show in the launch of the awards as well as other opportunities throughout the year. The two training groups will consist of one group beginners and one group intermediate group of students who participated last year.

Organisers of the project are excited and privileged that Danielle Gorczynski from Metro Modelling Academy will be training the students. Danielle runs her own franchise academy as a member of the metro modeling group.
