2011 BELMONT SMALL BUSINESS AWARDS

ALAN Richardson has been operating his successful home-based company Local Strata Services for the past 16 years.

Servicing more than 500 property owners, the business is focused on providing sound administrative, secretarial and maintenance services, with a focus on fast and efficient service.

Local Strata Services was the winner of the Home Based Business Award at last year's Belmont Small Business Awards – entries are now being accepted for this year's awards.

Contact Belmont BEC for assistance or attend free weekly information sessions on preparing an award submission.
