

MEDIA RELEASE

designedge Innovation Festival Offers Free Energy Efficiency Online Support

The 11th designedge Innovation Festival 2015 is featuring 90 different events and runs from the 15th of April to the 28th May.

One of the special offers to those participating in the Festival is Free Energy Efficiency Training & Mentoring as part of the TCF ONLINE ENERGY EFFICIENCY Training & Mentoring Project.

The TCF Australia ONLINE ENERGY EFFICIENCY Training & Mentoring Project assists small businesses and retailers to be more energy efficient. The project offers an extensive range of free specialist energy efficiency services to small businesses in the fashion, textile, clothing, footwear, leather and associated creative industries across Australia. Improving energy efficiency can help businesses save money on their operating costs whilst also lowering Australia's greenhouse gas emissions.

On offer until the 30th of April are the following energy related services:

FREE RECORDED WEBINARS

Listen anytime that suits you 24/7 on your iPhone, iPad, PC:
<http://tcfaustralia.com/GreenEnergyWebinars>

The webinar topics on offer are:

- Solar Energy - Understanding Solar, incentives & financing
- Reduce Costs in Air conditioning - Discover low cost actions to help reduce Energy usage
- Reduce Lighting costs in your Business - Lighting technologies can reduce energy by up to 90%
- Reduce Office Equipment Energy Costs - How to reduce costs & save money within your business
- Tips on Saving Energy in Your Business - Save Money and Energy using quick & easy steps
- Low Cost Energy Efficiency Accreditation - How to get your business energy accredited
- Energy Usage in your Supply Chains - Discover the opportunities for reducing energy usage
- Measuring Energy Usage - Save money by Making your Business Energy Efficient
- Monitoring Energy Bills in your Business - Learn how to interpret your Energy Business Bills

Carol Hanlon, Founder of the designedge Innovation Festival and the TCF Australia ONLINE ENERGY EFFICIENCY Training & Mentoring Project said, "We launched this program to help businesses save money on their energy bills, and we've been incredibly successful over the past three years. The program finishes on April 30th, so I encourage all small businesses to sign up for the free services. I also encourage people to complete our Energy Survey at www.tcfaustralia.com/energysavingsurvey. We have a lucky prize draw of a carton of Margaret River Red Wine for one lucky person sharing their energy saving feedback."

The 2015 designedge Innovation Festival is an associate festival of the Australian Innovation Festival and is supported by Belmont BEC, TCF Australia ONLINE Energy Efficiency Training & Mentoring Project, BEC Global, TCFWA, MY Business Incubator, TCF Global, BPW Business Incubator, sponsors, supporters and volunteers. The designedge Innovation Festival will launch on the 22nd of April at the City of Belmont Civic Centre, prior to the launch of the 2015 Belmont Small Business Awards.
